**RE: King Soopers Fuel Canopy Minor Amendment Application Narrative**

Galloway and Company Inc., on behalf of KRG Idaho, LLC, are requesting the approval of a minor amendment to the King Soopers Fuel Canopy Site Plan located at 1369 S Havana (NWC of E Idaho & S Havana).

The following changes are being proposed to the existing site plan:

- The sidewalk alignment along Idaho Place and S. Havana Street is being revised to avoid the relocation of existing dry utility lines and to maintain the living status of two ferns.
- Intersection sidewalk alignment/orientation is being revised to avoid relocation of an existing traffic light and traffic box.
- Revise the landscape plans to propose hydroseeding in the area to mitigate erosion and control debris in the area with

Please contact Nate Abbott with any questions or concerns.

Sincerely,

**GALLOWAY**
