Application Number: **DA-1396-19**
Case Numbers: **2004-6006-05**

Dear Ms. Shafer:

Thank you for your second submission, which we started to review on September 05, 2024. We have reviewed your plans and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

Since several important issues remain, you will need to make another submission. Please revise your previous work and send us a new submission.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

As always, if you have any comments or concerns, please let me know. I may be reached at 303.739.7541 or rrabbaa@auroragov.org.

Sincerely,

A handwritten signature in cursive script, appearing to read "Rachid Rabbaa".

DO NOT use the same Letter of Introduction for each application. The letter must be applicable and specific to each application. Each project should have its own Letter of Introduction.
