RE: Sign Plan Adjustment – Eagle Ridge

Dear Ms. Muca,

THK Associates, on behalf of Equity Ventures Company, is applying for a sign plan for the Eagle Ridge Commercial Development located on the southwest corner of Stephen D. Hogan Parkway and Picadilly Road.

The applicant is proposing three 20-foot monument signs, three eight-foot monument signs, and six 12-foot monument signs. The increased sign height and sign face area is permitted through UDO Article 146-4.10.8.E, which allows large integrated developments or development in the MU-R zone district to request such adjustments.

The proposed 8- and 12-foot monument signs shall have a sign face area of 99 square feet, which is in accordance with UDO Article 146-4.4.10.5.C.3.

We look forward to working with the City during this process. Please don't hesitate to contact me with any questions or comments.

Regards,
