**Administrative Decision**

Project Name: QuikTrip 4283 at High Point – Site Plan  
 Location: Southwest corner of E 64th Avenue and Gun Club Road  
 Development Application: DA-1746-42  
 Case Number(s): 2024-6012-00

November 6, 2024

Dear Jessica Glavas:

Pursuant to the Airport District (AD) regulations and Section 146-5.4.3.B.3.c of the Unified Development Ordinance, City of Aurora, Colorado, the administrative application for: QuikTrip 4283 at High Point is:

- Approved
- Approved with one (1) condition. Note the end of the decision for condition.
- Denied

This decision shall become effective after the second City Council meeting following notice of this decision to City Council. Prior to the effective date of this decision, City Council may move to consider the application and affirm, overrule or modify this decision. You may also appeal this decision to the City Council. An appeal must be filed with the City Manager’s office within ten calendar days from the date of this decision. Abutting property owners may also file an appeal within ten calendar days from the date of this decision.

Based upon the information contained in the application, the following are findings of fact as applied to the criteria for approval in Section 146-5.4.3.B.3.c of the Unified Development Ordinance:

*Minor Site Plan Criteria for Approval*

1. *The Minor Site Plan shall be approved only if the application complies with the applicable standards in this UDO, other adopted City regulations, any approved Master Plan that includes the property, and any conditions specifically applied to development of the property by the Planning and Zoning Commission or City Council in a prior decision affecting the property. If the application does not comply with those standards, the Planning Director will notify the applicant of what other permits, approvals, or changes to the application are required for compliance.*

The Site Plan is consistent with the Aurora Places Comprehensive Plan, which identifies this area as Industrial Hub. It also complies with the Unified Development Ordinance and standards for the AD zone, as well as the use-specific standards for a fueling station. The project is in compliance with the High Point at DIA Master Plan.

Condition of Approval:

1. Resolution of outstanding technical issues prior to recordation of the Site Plan and issuance of any building permits.

Please address all remaining comments outlined in the last review letter and resubmit the requested documents for a technical corrections review at your convenience. Please contact your Case Manager at 303-739-7112 or [swasinge@auroragov.org](mailto:swasinge@auroragov.org) for any questions you may have about the next steps in the process.
