Mr. Carl Harline  
City of Aurora Public Works  
Principal Engineer - Traffic  
15151 E. Alameda Parkway  
Aurora, CO 80012

Reference: QuikTrip - Aurora  
Response to Traffic Study Submittal Comments  
Project No.: 0222026.01-119

Dear Mr. Harline:

Submitted herewith are our responses to the comments included in your email, received August 21, 2023 regarding the QuikTrip – Aurora Traffic Study submittal.

**General Items:**

1. Change text and fix spelling errors

**Response:** Updated

2. Red line items and comments presented in review draft traffic study

**Response:** Report has been updated based on the redline comments in the reviewed draft report

3. Provide 24 hour counts at the study intersections

**Response:** The City has approved not needing to provide the 24-hour counts

4. Provide Fieldhouse at Aurora Town Center Traffic Study in the appendix

**Response:** This has been included in the appendix

5. Update Trip Generation

**Response:** The City has agreed that the trip generation is correct.

6. Remove NCHRP 279 report references and use the CDOT SHAC

**Response:** This has been updated

Documents enclosed are as follows:

1. Updated Traffic Study;

Please call if you have any questions or concerns regarding this submittal.

Sincerely;

QuikTrip - Aurora
