Location: South Side of E Jewell Avenue Between S Harvest Road and the Foxtail Run Channel
Development Application: DA-2315-03
Case Number: 2024-6054-00

June 11, 2025

Dear Jerry Richmond:

Pursuant to the R-2 (Medium-Density Residential Zone District) and MU-C (Mixed-Use Corridor) zone districts regulations and Section 146-5.4.3.B.3.c. of the Unified Development Ordinance (UDO), City of Aurora, Colorado, the administrative application for Foundry at E Jewell Avenue Infrastructure Site Plan (ISP) is:

☐ Approved

☒ Approved with one condition. Note the end of the decision for the condition.

☐ Denied

This decision shall become effective after the second City Council meeting following notice of this decision to City Council. Prior to the effective date of this decision, City Council may move to consider the application and affirm, overrule, or modify this decision. You may also appeal this decision to the City Council. An appeal must be filed with the City Manager's office within ten calendar days from the date of this decision. Abutting property owners may also file an appeal within ten calendar days from the date of this decision.

Based upon the information contained in the application, the following are findings of fact as applied to the criteria for approval in Section 146-5.4.3.B.3.c. of the Unified Development Ordinance:

Site Plan Criteria for Approval

The Minor Site Plan shall be approved only if the application complies with the applicable standards in this UDO, other adopted City regulations, any approved Master Plan that includes the property, and any conditions specifically applied to development of the property by the Planning and Zoning Commission or City Council in a prior decision affecting the property. If the application does not comply with those standards, the Planning Director will notify the applicant of what other permits, approvals, or changes to the application are required for compliance.

The application complies with the standards found in the UDO and Parklands Village, Villages at Murphy Creek, and Foundry Master Plans. The application is compatible with the surrounding uses, and the application mitigates any adverse impact on the surrounding areas to the degree practicable.

Condition of Approval:

1. Resolution of outstanding technical issues prior to the recordation of the Site Plan.

Please address all remaining comments outlined in the last review letter and resubmit the requested documents for a technical corrections review at your convenience. Please contact Ben Bravenec at 303.739.7220 or bbravene@auroragov.org for any questions you may have about the next steps in the process.
