

**MEMORANDUM**

**To:** City of Aurora Development Review and Engineering  
**From:** Wesley Dismore, PE  
**Date:** February 3, 2022  
**Project:** Kings Point Development Traffic Impact Study (Updated November 12, 2021)  
**Subject:** Infrastructure Site Plan West - Conformance with Traffic Impact Study

---

Fox Tuttle Transportation Group has reviewed the Infrastructure Site Plan (ISP) West provided by Terracina Designs and EMK Consultants, dated 11/06/2021. The ISP West lays out the design of infrastructure features of sections of the proposed East Aurora Parkway and Kings Point Drive on the west side of the proposed Kings Point Development. The ISP has been reviewed and found to be in conformance with the Traffic Impact Study (TIS) submitted on February 4, 2022.

I hope this letter has been helpful. Please feel free to contact me with any questions.
