Project Name: ASPEN 3-65 15-14 SOUTH

Requester,

Our engineer has reviewed this plat and their comments are: "Lumen has NORESERVATIONS at the Aspen site and RESERVATIONS along the Haul route. Company/developer will call out for locates (811) before any road improvements and if any Lumen utilities are in way and need attention, Developer will call Lumen for arrangements with relocations with this email, relocations@centurylink.com."

If you require signatures or have any further questions, please contact the engineer directly at Dennis.Odell@lumen.com.

Thank you!
