

Skydance Master Utility Report Exhibit changes

10/25/24

Exhibit SS1

- Northwest quadrant sewer configurations were altered notably to match ongoing ISP designs.
- Several sewer pipe sizes were revised along E. 60th Ave, Tibet Road, E. 57th Ave, and Street J
- Most PA areas were slightly adjusted
- Interior roads and utilities within PA-2 were removed.
- PA-11 was changed to Single Family Attached
- PA-22 was deleted so subsequent PA designations were revised
- PA-25, 26, 27 were altered in configuration and all Mixed Use Commercial was removed from project
- Development to the north is now called Everlea
