RE: Windler Connector Roads 3A - R0043259.20
Infrastructure Site Plan (ISP) Introduction

Dear Sirs:

This letter is intended to be an introduction of the Windler Connector Roads 3A ISP project. This infrastructure is required to support the future development of 2 residential neighborhoods (Village North and Midtown) along with several other parcels of unknown usage. The project consists of a road parcel located between E. 53rd Ave. and E. 56th Ave. and is more specifically located in the NW quarter of Section 18, Township 3 South, Range 65 West and encompasses 5.128 acres.

The infrastructure proposed includes the design and construction of Biloxi Street being a Connector Boulevard. In addition, waterlines and storm sewer lines will be constructed. The existing detention pond CTR1 will be utilized for the storm drainage outfall. There is an existing sanitary sewer line that will be accommodated for with the proposed design.

Owner and Consultant Contact Information:

Owner

Windler Public Improvement Authority (WPIA)
5750 DTC Parkway, Suite 210
Greenwood Village, CO 80111
303.795.9900
Contact: Chris Fellows

Civil Engineer

Westwood Professional Services
