

**Narrative for a City of Aurora Wireless Mylar Change Review**

To: Development Services, Zoning and  
Planning  
City of Aurora

From: Kenneth Trujillo

Subject: DNDEN00437A DISH Wireless Tower Collocation

Date: 9/28/2024

Location: 1565 N Elmira St Aurora, CO 80010

Project Valuation: \$40,000.00

**Project Narrative:**

DISH Wireless is installing new telecommunications equipment and antennas on the existing cell tower located at 1565 N Elmira St Aurora, CO 80010. In order to provide wireless service to the surrounding area, DISH Wireless will be completing the following installations:

- DISH Wireless proposes to install (3) panel antennas on the existing cell tower.
- DISH Wireless proposes to install (3) antenna mounts on the existing cell tower.
- DISH Wireless proposes to install (6) jumpers on the existing cell tower.
- DISH Wireless proposes to install (6) RRUs on the existing cell tower.
- DISH Wireless proposes to install (3) double RRH mounts on the existing cell tower.
- DISH Wireless proposes to install (1) OVP surge suppression device on the existing cell tower.
- DISH Wireless proposes to install (1) cable tray on the ground.
- DISH Wireless proposes to install (1) metal platform on the ground.
- DISH Wireless proposes to install (1) PPC cabinet on the ground.
- DISH Wireless proposes to install (1) equipment cabinet on the ground.
- DISH Wireless proposes to install (1) power conduit on the ground.
- DISH Wireless proposes to install (1) telco conduit on the ground.
- DISH Wireless proposes to install (1) telco fiber box on the ground.
- DISH Wireless proposes to install (1) meter socket on the ground.
- DISH Wireless proposes to replace the chain link fence with a new 6' wood fence.

The antennas will be mounted on the tower as Sprints antennas have been for numerous years. Equipment will be placed within a new wood fenced area like Sprint used to have.

Thank you for your review and please contact me with any questions or concerns.

Respectfully,

*Kenneth Trujillo*
