

**Application Eligible Facilities Request for
Existing Wireless Communications Facility
11000 E. Yale Avenue, Aurora CO 80014**

Written Statement

Current Use: Verizon Wireless currently operates an approved and constructed wireless communication facility at 11000 E. Yale Avenue, Aurora CO 80014. The communication facility includes a 50-foot canister monopole and ground equipment enclosed within a wood fence.

Proposed Modifications: Verizon Wireless proposes to increase the facility height by 20'. Antennas and equipment will be removed and replaced. There will be no change to the existing facility diameter. Equipment will be placed at the base of the facility within the existing bollard area.
