RE: Letter of Introduction

To whom it concerns:

We are seeking approval to install a battery-powered electric security fence at FedEx Ground, located at 5805 North Jackson Gap Street, Aurora, CO 80019 (Parcel Number: 181908301001). This outdoor, monitored, burglar alarm system that will be located inside of their existing perimeter fence, further interior to the property.

We have taken the latest approved site plans and marked them up with the red clouds showing the proposed installation.
