Re: Technical Submission Review – Windler Butterfly Park Site Plan
Application Number: **DA-1707-32**
Case Numbers: **2024-4007-00**

Dear Mr. Provost:

Thank you for your technical submission, which we started to process on Wednesday, July 3, 2024. We have reviewed your plans and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

Since important issues remain, you will need to make another technical submission on or before August 19, 2024. The application will continue to go through technical submittal till there are no further outstanding comments. Please email your case manager as soon as possible following the upload. Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

As always, if you have any comments or concerns, please let me know. I may be reached at 303-739-7259 or amuca@auroragov.org.

Sincerely,

Ariana Muca, PLA, AICP
