

Minor Amendment Letter of Introduction

Project Address:

350 S Havana St
Denver Co 80012

Project: Install electrical infrastructure and equipment to power EV Chargers in parking lot.

Sturgeon Electrics Scope of Work is to install the utility meter housing, utility CT cabinet, High Volt and Low Volt panels, EV Charger disconnects, pipe and wire up to the EV Chargers.

**EV Chargers will be installed and terminated by a 3rd party contractor selected by the owner.

Please feel free to contact me with any questions.

Thank you!
