Case Numbers: **2022 3037 00**

Dear Mr. Alpert

Thank you for your third submission, which we started to process on Tuesday, July 26, 2022. We have reviewed your plans and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

Just a few issues remain, and you will need to make another submission. Please revise your previous work and send us a new submission on or before Thursday, September 1, 2022. Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

As always, if you have any comments or concerns, please let me know. I may be reached at (303) 739-7259 or amuca@auroragov.org.
