Dear Mr. Goldman:

Thank you for your first technical submission, which we started to process on Wednesday, September 11, 2024. Once the last comments from addressing and land development are resolved, this site plan is now ready to go to mylars. Please submit mylars to Access Aurora at the Aurora Municipal Center. When resolved, use the mylar checklist available from the City of Aurora Website, and please feel free to reach out if you have any questions on the final requirements.

As always, if you have any comments or concerns, please let me know. I may be reached at (303) 739-7220 or bbravene@auroragov.org.

Sincerely,

A handwritten signature in cursive script that reads "Ben Bravenec".
