**Application Number:** DA-2062-54  
**Case Numbers:** 2023-3063-00

Dear Mr. Ferreira:

Thank you for your third submission. We have reviewed your plans and attached our comments along with this cover letter. Several items are still outstanding. When the dedication of the adjacent right-of-way is complete, as well as the requested revisions, please make another submission.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

As always, if you have any comments or concerns, please let me know. I may be reached at 303-739-7261.

Sincerely,

Debbie Bickmire, Senior Planner

## *Third Submission Review*

### **REFERRAL COMMENTS FROM OTHER DEPARTMENTS**

#### **1. Land Development Services (Roger Nelson / [ronelson@auroragov.org](mailto:ronelson@auroragov.org) / Comments in magenta)**

- 1A. All missing reception numbers will need to be inserted before plat acceptance.
- 1B. Provide a revised closure report for the exterior subdivision boundary.
- 1C. Trim linework for overlapping easements of the same purpose.
- 1D. Trim linework for easements that overlap exclusive gas easements.
- 1E. Provide an updated Title Commitment to be dated within 30 calendar days of the plat being sent in for recording. This commitment should be submitted at the time of your final submittal of the electronic plat for recording.
- 1F. Send in the Certificate of Taxes Due obtained from the County Treasurer's office showing they are paid in full up to and through the plat approval date of recording. This Certificate of Taxes should be submitted at the time of your final submittal of the electronic Plat for recording.
- 1G. Please be advised - sometimes the margins or scale factor may not match the County or City standards as stated in the Subdivision Plat Checklist. If any of these factors are misaligned or the scale does not match the drawing information, then this may cause the plat to be sent back and corrected thus adding time to your submittal. And in turn, you may need to update the Title Commitment to bring it within the 30-day time limit. **Please check these items before sending the plat in for recording.**
- 1H. Address all redline comments on the plat.
