Dear Mr. Spehalski:

Thank you for your second technical submission. We have reviewed your plans and attached our comments along with this cover letter.

Because there are outstanding comments, another technical submittal will be required. Please revise your previous work and send us a technical submission on or before December 27, 2023.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

As always, if you have any comments or concerns, please give me a call. I may be reached at 303-739-7857.

Sincerely,

A handwritten signature in blue ink that reads "Sarah Wile".
