Sheet 1

1. The minimum distance cannot be less than 5 feet from the structure. Increase the distance from the structure.
2. This sheet can be used for reference. However, the original site plan must reflect the changes. Please submit the original site plan with the requested revisions.
3. Please identify and label the impact protection that will be provided. Example: enclosure or bollards
4. Identify the distance from the generator to the property.
5. This cover sheet should be sheet 1 of your submittal.
6. Provide delta 23 identifying the diesel generator (plus specifics).
7. Please identify the distances from nearby openings
8. Cloud changes. Provide delta 23 identifying the diesel generator (plus specifics).
9. If you have questions, please work with your case manager.
10. This sheet showing the clouded generator should be included in your submittal. Make to include any references that address requirements.
