The City's initial review comments on your application are due to you on Thursday, March 27, 2025  
Your second submission is due to us on or before Tuesday, April 17, 2025  
Our review of your second submission is due to you Tuesday, May 8, 2025  
Our date for an administrative decision on your application has been tentatively scheduled for Wednesday, May 28, 2025.

The Energy & Environment Division will make every effort to help you meet this schedule, but please note that the dates listed above are dependent on the timelines and completeness of all your submissions. If at any time you think you won't be able to meet a specific deadline, please contact your Case Manager as soon as possible so that we can adjust your schedule. Our schedule is based on actual working days and has already taken into account city holidays.

Under our system of enhanced review, it is possible to achieve a faster processing time than shown above if you respond early to our comments or if fewer submissions are required than originally anticipated.

For additional information about your application contact Maria Alvarez at 303 739 6824. If at any time you have concerns about the timing or content of our reviews or any other questions, you may also call me directly at (303)739 7676.

We look forward to working with you!

Sincerely,

Jeffrey S. Moore, P.G.
