Case No. 2003-6040-11  
Response to Email from James Schireman on November 22, 2024

Dear Josue & James,

Intergroup Architects submitted construction documents to the Aurora Building department that included an exterior fenced storage yard for the tenant located at the northwest corner of Building C. James indicated via email that the fenced storage area should be included in the site amendment package. Intergruop has updated the site amendment package including the cover sheet, Sheet 3A Site Plan and added Sheet 4C to include the new tenant exterior storage area.

The following sheets have been provided and added to the original drawing set:

Cover Sheet  
3A Site Plan (Updated 12.17.2025)  
4A Enlarged Site Plan – West  
4B Enlarged Site Plan – East  
4C Enlarged Site Plan – Northeast (Added 12.17.2025)  
6A Grading Plan  
6B Grading Plan  
10A Landscape Site Plan - West  
10B Landscape Site Plan – East  
10C Landscape Details  
15A Exterior Elevations  
17A Traffic Plan Exhibit  
45A Electrical Site Photometrics

3B. Page 47, Sheet 45B:

*i. Please correct the lighting at this point. It must be 1 foot candle at a minimum.*

**The previous photometric plans showed the interior lighting as 0.0. The interior lighting data has been removed from the plans for clarity. The minimum foot candle of 1.0 is indicated on the plan.**

We hope that this addresses all new and outstanding comments, and the site plan amendment may be approved.
