**Re: (Third) Submission Review:** Vertical Bridge Telecom Facility at Arapahoe Crossings - Conditional Use and Site Plan Amendment with Adjustment  
**Application Number:** DA-1024-28  
**Case Numbers:** 1996-6067-17

Dear Troy Peter:

Thank you for your third submission, which we started to process on April 16, 2025. We have reviewed your plans and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

Based on comments from several departments there are revisions that need to be addressed on your plan. However, since these are considered minor revisions, these revisions can be made *after* the Planning Commission hearing in the review phase called technical review. Please address all the requested revisions at that time.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

The Planning & Zoning Commission hearing date is set for Wednesday, May 28th, 2025. Please remember that all abutter notices for public hearings must be sent and the site notices must be posted at least 10 days prior to the hearing date. These notifications are your responsibility and the lack of proper notification will cause the public hearing date to be postponed. It is important that you obtain an updated list of adjacent property owners from the county before the notices are sent out. Take all necessary steps to ensure an accurate list is obtained. Your case manager will contact you regarding next steps.

As always, if you have any comments or concerns, please let me know. I may be reached at 303-739-7133 or [akarabas@auroragov.org](mailto:akarabas@auroragov.org).

Sincerely,

Ani Karabashian, Planner I  
City of Aurora Planning Department
