

# Achieve Sports Center

## Operational Information

### *Introduction:*

Achieve Sports Center (ASC) is an expansion of Achieve Gymnastics which has been in operation and serving families in Aurora and surrounding areas, since October 2013.

### *Type and frequency of programming:*

Youth Sports training, camps, clinics

Youth Sports competitions

Family Fitness and Activities

All of these activities will be program specific and scheduling driven. Training and family fitness offerings will be daily, while camps, clinics and competitions will be periodic or seasonal.

### *Hours of operation:*

Daily – approximately 9am to 9pm

### *Anticipated number of participants for daily activities, events and tournaments:*

Daily activities participation will vary based on class schedules and offerings, but generally expected to range from 20-125 at any given time with a ratio of 1 coach per 8 participants.

Events and Tournaments are scheduled in sessions so that number of participants / spectators for any given event would not be expected to exceed 500.

### *Estimated number of employees:*

Achieve Gymnastics currently employs 41 people to meet the needs of our operations and anticipate growing to over 120 employees as the new operations gear up over the first 2 years.

### *Other relevant information:*

Achieve Sports Center is a much-needed addition to the community; it is an expansion from a company that has a strong public image and following, based on its outstanding customer care, quality sports instruction, and setting a standard of excellence that has raised the bar in the youth sports, activities and instruction industry. There is a strong need for these expanded services to be offered in this area of southeast Aurora. People need ways to keep their kids in positive activities and sports. We have a strong working model and philosophy that resonates with our clientele and the community at large, making it a valuable addition to the community it serves.
