RE: **Minor Amendment to Windler Sign Monuments – Site Plan**

Application Number: DA-1707-27

Case Numbers: 2023-4014-00

Dear James,

Please find the amended Site Plan Package for Windler Monument Signs – Site Plan, as well as the Minor Amendment form. This was previously approved, and has been revised to incorporate the following:

1. (3) B1 Monuments – change footprint to 6'x6' from 5'x3 ¾". Height remains the same.
2. A2 Monument at Location #15, changed to A2 Glow version.
3. Landscape Wall changed from a tile veneered wall to cast in place construction – size and location remains the same.
4. Path alignment change at the corner of Harvest and E. 56<sup>th</sup> Ave. to accommodate changes to water quality dimensions in spillway.

Sincerely,

Neotha Leslie
