**Re: Initial Submission Review – Harmony Site Plan 1 Minor Amendment**  
Case Number: **2016-4003-01**

Dear Mr. Graham:

Thank you for your initial submission. We reviewed it and attached our comments along with this cover letter.

The only issue that remains is the dedication of a sidewalk easement for any portion of the walk that is outside of the ROW. Please see the Civil Engineering comment on page 2 of this letter for details. A further Site Plan Amendment submission is not required, and this application can be approved after the completion of the easement dedication.

As always, if you have any comments or concerns, please give me a call. I may be reached at (303) 739-7121.

Sincerely,

Daniel Osoba, Planner II  
City of Aurora Planning Department
