Re: PLANNING COMMISSION HEARING RESULTS: Metro Center Master Plan Amendment
Application Number: DA-1489-29

Dear Bill Parkhill:

Congratulations! Your application was approved by the Aurora Planning and Zoning Commission at a public hearing on December 11, 2024. The table below shows the results of the Planning and Zoning Commission's action.

Planning Case Number	Planning Commission Action	City Council Review Required?	Planning Commission Conditions
2016-7002-01	Approved with one (1) Condition	No, unless appealed or called up.	1. Resolution of outstanding technical issues prior to the issuance of any building permits.

Please be aware that your Planning and Zoning Commission approval may be appealed by an abutting property owner or called up for a second review by a majority vote of the City Council. Abutters have ten days to file an appeal, and the City Council has two meetings following your Planning and Zoning Commission's decision to vote for a call-up. In either event, I'll let you know if a City Council hearing is required.
