Re: Fourth Submission Review: The Aurora Highlands Subdivision Filing No 34 - Plat
Application Number: DA-2062-62
Case Number: 2024-3034-00

Dear Carlo Ferreira:

Thank you for your submission. We have reviewed your plans and attached our comments along with this cover letter. Since several items still need to be addressed, you will need to make another submission. Please revise your previous work and send us a new submission when the easements noted have been vacated.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

Projects that go one year without a submission will be considered inactive and require a 25% restart fee to be reactivated. After 18 months of inactivity, projects that are not reactivated will be closed and retired.

As always, if you have any comments or concerns, please let me know. I can be reached at 303-739-7261.

Sincerely,

A handwritten signature in black ink, appearing to read "Debbie Bickmire".

Fourth Submission Review

REFERRAL COMMENTS FROM OTHER DEPARTMENTS

1. Land Development Services (Roger Nelson / 720-587-2657 / ronelson@auroragov.org / Comments in magenta)

- 1A. The easement noted on Sheet 3 must be vacated prior to plat approval. Once vacated, remove from the plat.
- 1B. Easements noted in Notes 13 and 14 need to be released or restricted prior to plat approval.
- 1C. Label the width of the sidewalk easement noted on Sheet 5. Add to the graphic on Sheet 3.
- 1D. Provide an updated Title Commitment to be dated within 30 calendar days of the plat being sent in for recording.
- 1E. Please send in the Certificate of Taxes Due obtained from the County Treasurer's office showing they are paid in full up to and through the plat approval date of recording. This Certificate of Taxes should be submitted at the time of your final submittal of the electronic Plat for recording.
- 1F. Please be advised - sometimes the margins or scale factor may not match the County or City standards as stated in the Subdivision Plat Checklist. If any of these factors are misaligned or the scale does not match the drawing information, then this may cause the plat to be sent back and corrected thus adding time to your submittal. And in turn, you may need to update the Title Commitment to bring it within the 30-day time limit. **Please check these items before sending the plat in for recording.**
