Re: Technical Submission Review – Texas Roadhouse at Blackhawk Pointe - Conditional Use and Site Plan
Application Number: **DA-2261-01**
Case Numbers: **1999 6002 08; 1999 6002 09**

Dear Mr. Kincaid:

Thank you for your technical submission, which we started to process on Thursday, March 2, 2023. We have reviewed your plans and attached our comments along with this cover letter. The first section of our review highlights our major comments. The following sections contain more specific comments, including those received from other city departments and community members.

Planning and Zoning Commission is complete, and the application has gained approval. The site plan will continue to be resubmitted in the form of a technical till all comments are resolved. It is recommended the application completes the drainage and easement processes ahead of resubmission. Following the completion of the site plan, mylars will be recorded. Please resubmit on or before Monday, April 10, 2023.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

As always, if you have any comments or concerns, please let me know. I may be reached at (303) 739-7259 or amuca@auroragov.org.

Sincerely,

Ariana Muca, PLA

Technical Submission Review

SUMMARY OF KEY COMMENTS FROM ALL DEPARTMENTS

- The Site Plan will not be approved by Public Works until the Preliminary Drainage Letter/Report is approved (Public Works).
- There are several easements that need to be released and dedicated by separate documents. Submit the documents to releaseeasements@auroragov.org and dedicationproperty@auroragov.org. When the easement documents are fully executed and ready to record, then the site plan will be ready to be signed off (Real Property).
- Add the label for the dashed line as indicated. The Site plan can be moved forward with the caveat that the building permit will be held until the easement documents are completed/recorded (Real Property).
