Dear City of Aurora Representative,

Namaste Solar has been contracted by DBG Properties LLC to install a rooftop photovoltaic system at 14455 E Ellsworth Ave, Aurora, CO 80011. The project scope includes the design, specification, permitting, procurement, installation and commissioning of a complete, turn-key, grid-tied, interactive photovoltaic (PV) electric system. The photovoltaic system will consist of roof-mounted PV arrays, wall-mounted PV inverters, as well as related electrical and safety equipment.

Sincerely,

Saoirse O'Leary
