Dear Mr. Cox,

Thank you for your review of the Site Plan for 48th Avenue Phase 2 between Aerotropolis Parkway and Monaghan Road. The comments have been reviewed and we have summarized how each comment was addressed in the table starting on the following page. These issues are addressed in our current plan submittal and as described in the comment response table attached on the following pages.

We look forward to further discussing this project and these key issues at our next meeting after you have reviewed our plans. Thank you for your comments and feedback.

Yours sincerely,
