Hi Jamie,

Please see my responses to your email. I am numbering them to match your document in an attempt not to be confusing.

1A – Theses items are now addressed on the amended PUD

The gate and fence detail remain on the second page as there is no room on the first page. Delta 6 has been added to all new notes and additions. Please see PUD-1-B-R4 and PUD-2-B-R4

2A – This is noted on the drawing Gate Area Details which is in the permit submittal package.

3A – All of this information and the included notes are on the drawings submitted in the permit submittal package. Please see drawings: Gate Area Details, Overview of Gates and Fence, Gate Details, PUD 1-B-R4, PUD-2-R4 and the Permit Request.

5A – The Fence and Gating System will not impact any of the existing trees on the site.

5 – All notes have been added to the PUD. Please see PUD-1-B-R4 and PUD-2-B-R4
