**Re: CITY COUNCIL HEARING RESULTS:
 FITZSIMONS GDP AMENDMENT NO 9 - GDP AMDT**
 Application Number: DA-1233-46

Dear Mr. Artz:

Congratulations! The City Council portion of your application was approved by the Aurora City Council on September 21, 2020. The table below shows the results of the City Council action.

Case Number	City Council Action	Further CC Action Required?	City Council Conditions
1998-2011-12	Approved	Yes	None

Please note that your application contains an ordinance change which must pass a second reading by City Council. The date for the second reading has been set for October 5, 2020. Since this has an associated ordinance, the ordinance will be effective 30 days after the second City Council hearing.

If you would like to record mylars, I suggest removing all the red clouds while retaining the description in the amendment box. If you have any questions about the Planning Department’s approval process, or about mylar preparation, please feel free to give me a call or email me at hlamboy@auroragov.org. I can be reached at (303) 739-7184.

Sincerely,
