E470 Signage Permit Submittal

Narrative:

In this Monument Sign Permit Resubmittal is in response to the revisions required to the original SDP submittal. This resubmittal covers the updated Civil and Landscape SDP sheets showing the location of the Monument Sign. The Civil sheets have been updated to reflect the location of the monument sign. The Landscape sheets have been updated to reflect the location of the monument sign. The monument sign is located on the south side of the north entrance into the site along Valdai.
