**Re: PLANNING COMMISSION HEARING RESULTS:**  
**Living Water Car Wash at Smoky Hill Crossing - Conditional Use and Site Plan**  
Application Number: DA-2184-07

Dear Mr. Roach:

Congratulations! The Aurora Planning Commission held a public hearing on November 24, 2020 and approved the Living Water Car Wash at Smoky Hill Crossings Conditional Use and Site Plan. The table below shows the results of the Planning Commission's action.

Case Numbers	Planning Commission Action	City Council Review Required?	Planning Commission Conditions
2020-6040-00 2020-6040-01	Approved	No, unless appealed or called up by the City Council	1. Resolution of outstanding technical issues prior to recordation and issuance of any building permits.

Please be aware that your Planning Commission approval may be appealed by an abutting property owner or called up for second review by a majority vote of the City Council. Abutters have ten days to file an appeal, and the Council has two meetings to call up the case following the Planning Commission's decision. I will notify you if that should occur.

Please address technical corrections to the plans in your next submittal. Any license agreement needs to be approved prior to the recording of mylars.
