

**Architectural Review Committee**

Date: July 25, 2017  
Tenant: Dick's Sporting Goods  
Location: Revised building A site plan and elevation review

**Dick's Sporting Goods  
Southlands in Aurora, Colorado**

Architectural Review Committee Comments

We have reviewed the proposed modifications pertaining to building A at the Southlands Town Center in regards to the site plan and proposed elevations and have the following comments:

1. The walkway between building A and B must have sufficient lighting to provide a well-lit and safe environment.
2. Please submit a color sample of the EIFS for approval prior to installation.

**This submittal is Approved as noted.**
