Case Number: 1991-6041-04

Aurora Fire Station #6  
15588 E. Hampden Cir.  
Aurora, CO 80013

July 9, 2024

To: Jamie Hartig, Planner, City of Aurora Planning Department

We received the initial submission review letter, dated April 4, 2024, and have made the requested changes to the site plan amendment drawings. Please see our responses to comments below.

1A. Page 1, Sheet FS06

- For any new notes added, please include a delta 1 and red cloud to indicate this is a new note. **Response: added red cloud and delta 1 to indicate new notes.**
- Please remove date and replace with case number: 1991-6041-04. **Response: updated the Minor Amendment notation.**
- In the building information section, please provide a table for existing and proposed required parking. **Response: updated existing and proposed parking data.**

1B. Page 4, Sheet L2

- For all minor amendments, please limit the number of new sheets proposed when possible. Further, please consider condensing sheets L1 and L2. **Response: The information from sheet L2 has been added to sheet L1. Sheet L-2 has been removed.**

1C. Page 5, Sheet SD-1

- Please only provide height and material for fence, all other information of the fence and/or gate should be deleted from site plan. **Response: removed extraneous information from the details and clarified the height and material of the fence and gate.**
- Please condense SD-1 and SD-2. **Response: The information from sheet SD-2 has been added to sheet SD-1. Sheet SD-2 has been removed.**

1D. Page 6, Sheet SD-2

- To ensure compliance with UDO, please state fence height and material. **Response: added notes to clarify the height and material of the fence and gates.**

2A. Page 1, Sheet FS06

- Please submit your civil plans prior to your next site plan submittal. The site plan will not be approved until the civil plans are submitted. **Response: as per discussions with the City, a separate civil engineering review process is not required for this project.**

- Add the following site plan notes on the cover sheet or a following sheet where there is space:  
"1. The applicant has the obligation to comply with all applicable requirements of the American with Disabilities Act.  
2. The approval of this document does not constitute final approval of grading, drainage, utility, public improvements and building plans. Construction plans must be reviewed and approved by the appropriate agency prior to the issuance of building permits.  
3. Errors in approved Site Plans resulting from computations or inconsistencies in the drawings made by the applicant are the responsibility of the property owner of record. Where found, the current minimum Code requirements will apply at the time of building permit. Please be sure that all plan computations are correct."  
**Response: added notes to page 1 as requested.**

3A. Approved. **Response: thank you!**

4A. Page 1, Sheet FS06

- Please provide notes as requested on Page 1 of the Site Plan. **Response: added notes to page 1 as requested.**
- Please add gating System note to cover sheet. **Response: Gating system note has been added to cover sheet.**
- 

4B. Page 2, Sheet C1

- Please use the suggested naming convention for the gate. "23' Vertical Pivot gate w/Manual release and Knox Key Switch" TYP for all sheets and gate details. **Response: revised the annotation of the gate as requested, on all applicable sheets.**

4C. Page 6, Sheet SD-2

- Please provide a minimum of 6 inches clearance at the bottom of the Gate. **Response: added note to clarify 6" clearance to ground.**

The Fire Station #6 site plan sheets have been revised to reflect the comments and responses above.

Please let me know if you have any questions or need additional information for this application.

Thank you!
