Re: Third Submission Review: Aerotropolis Parkway Subdivision Filing No 1 Plat  
Application Number: DA 2062-48  
Case Number: 2023 3045 00

Dear Matt Hopper:

Thank you for your submission. We reviewed your plans and attached our comments along with this cover letter. There are several items to be addressed; therefore, you will need to make another submission. Please revise your previous work and send us a new submission on or before May 16, 2025. Xcel has requested a response to their comments several times. Please be advised, resubmittal will not be accepted without a response.

Note that all our comments are numbered. When you resubmit, include a cover letter specifically responding to each item. The Planning Department reserves the right to reject any resubmissions that fail to address these items. If you have made any other changes to your documents other than those requested, be sure to also specifically list them in your letter.

Please be advised, projects that go one year without a submission will be considered inactive and require a 25% restart fee to be reactivated. After 18 months of inactivity, projects that are not reactivated will be closed and retired.

As always, if you have any comments or concerns, please give me a call. I can be reached at 303-739-7261.

Sincerely,

Deborah Bickmire, Senior Planner
