

INDOOR SHOOTING RANGE & COLORADO'S LARGEST GUN SHOP

20 South Potomac • Aurora, CO 80012 • (303) 363-0041

Dear Aurora Planning,

We would like to add a small storage addition to the back of our existing building. The addition would be made out of Cinder block as our original building and painted to match. Size would be 22 Foot long by 13 Foot wide by 10 Foot high. Structure would be totally hidden at the rear of our building. Set back From Fenced property line would be 19 Feet.

Lew Goldman
