Application Number: DA-2389-00
Case Numbers: 2024-6032-00; 2024-3045-00; 2024-9002-00

Dear Amy Kruse:

Thank you for your fourth submission, which we started to process on January 9, 2025. We have reviewed your plans and attached our comments along with this cover letter.

The estimated Administrative Decision date is set for February 12, 2025. Please remember that all abutter notices must be sent and the site notices must be posted at least 10 days prior to the decision date. These notifications are your responsibility and the lack of proper notification will cause the decision date to be postponed. It is important that you obtain an updated list of adjacent property owners from the county before the notices are sent out. Take all necessary steps to ensure an accurate list is obtained.

Mylars can be submitted per Adams County requirements after the Administrative Decision has been determined. Please refer to the attached recording checklists for a complete set of instructions.

Adams County requirements for the Site Plan:

- One complete signed and notarized site plan PDF in at least 18" x 24" and no larger than 24" x 36" format at 40MB or under (can be emailed to the case planner). Plans must be scanned black and white with 300 dpi.
- If the site plan PDF is over 40MB, please submit MYLARS following the below instructions for properties within Adams County:
 - One complete set of signed and notarized MYLARS in at least 18" x 24" and no more than 24" x 36" format.
 - One additional signed and notarized MYLAR cover sheet in 24" x 36" format Recording Checklist - Site Plans (Revised 1/2025)
 - All mylars shall be four millimeters thick, double mat, reverse print/burn, and photo quality
 - One complete site plan set in PDF (can be emailed to the case planner).

Adams County requirements for the Plat:

- One complete set of signed and notarized subdivision sheets in at least 18.00 inch by 24.00 inch and no larger than 24.00 inch by 36.00 inch electronic format (Please note, all plat must be this exact size on ALL sheets. If any sheet is determined to be a different size, even by a tenth or a hundredth, the plat will be returned for correction).
- 2" on left margin and ½" margins on all the other sides.

As always, if you have any comments or concerns, please let me know. I may be reached at 303-326-8834 or mllee@auroragov.org.

Sincerely,
